SUBJECT Revision of scale of pay of Bill Collector in Chintamani municipality and entertainment of an additional Bill Collector

Sir,

I have the honour to state that the present strength of the mohatarfa establishment in the Chintamani municipality consists of a special Revenue Inspector, One Bill Collector and Two Peons and their scales of pay are as follows -

1)	Special R I	On	Rs 40 Plus 10	P
2)	Bill Collector	On	" 15/-	"
3)	Peons	On	" 10	"

In addition to this, they are also paid the usual Dearness Allowance admissible under the rules The total cost of the mohatarfa establishment is Rs 1500/- per annum The total revenue to be collected under mohatarfa and miscellaneous items by this mohatarfa establishment is on an average about Rs 30,000/- The balance outstanding recovery on 1st Jan 1946 was Rs 8,564/- and the Municipal Council felt that the staff employed for this purpose was inadequate and their scales of pay were also considered to be inadequate accordingly the Council at their meeting held on 16/9/46 resolved that the personnel of the post of Bill Collector be revised to two and their scales of pay be also revised and fixed in 25-1-50 P

A there were heavy balances outstanding reovery in the municipality and as the question of revision of scales had to be examined thoroughly, a temporary Bill Collector on Rs 15/- was sanctioned by this Office on 25/2/47 till the end of June 1947 The municipal Council, Chintamani agreed to meet this extra cost from their closing balance The President has now submitted proposition statements for this revision of scales of pay as well as for the appointment of an additional Bill Collector

p t o

During inspection of Chintmani municipal Office in May 1947, I found that the mohatarfa accourts were not maintained properly and were not up to date and that the arrears to be recovered were also heavy The temporary Bill Collector appointed was attending to the Posting of the Mohatarfa ledgers The special Reverue Inspector attached to the Municipality has not only to attend to the collection of mohatarfa but he has also to supervise collection of Octroi duty which is a major item of income to the municipality In addition, it was noticed that the scale of Pay of the Bill Collector was too low being only Rs 15/- Does the pay of Municipal with in the other town municipalities in this district is as follows -

1) Kolar Municipality Rs 20/1/25
2) Kovringpet " 25/-

The proposal of the municipal council Chintamani is to revise the scales of pay of the Bill Collector from Rs 15/- to Rs 25/1/30 per month so as to bring it on a level with the scales of pay obtaining in the other municipalities in this District The pay proposed by the Council is moderate and the revision will act as an incentive for good and efficient work The appointment of an additional Bill Collector to this Municipality is also an obsolute necessity in the interest of prompt and better collection of mohatarfa accounts in a proper manner and also to bring them up to date The extra cost involved in the proposal is Rs 420/- per annum, and this amount will not be a burden on the finances at the council which are very sound

The present Bill Collector Syed Nasthan was entertained in this Municipality on 15/7/1938 as a Bill Collector on Rs 15/- and he has put in a total service of more than nine years He is qualified for the post and is getting only Rs 15/- P M , since the commencement of his service The President recommends that the benefit of the revision be given to him with effect from the date of the resolution of the council i e , 16/9/1946, as he deserves encouragement and as he has suffered stagnation for a number of years The extra cost involved for this will be Rs 140/- and provision to meet this extra expenditure as well as the cost involved in the revision has b en made in the current year's budget In these circumstances, I request you kindly

kindly to obtain sanction of Government to the resolution of the Municipal council dated 16/9/46 to revise the scales of pay of the present Bill Collector with effect from 16/9/46 from Rs 15/- to Rs 25-1-30 and also to employ an additional Bill Collector on the same pay in the municipality from the date of Government Order in the interests of better collection

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Polar District
